

# One Day / One Town / One World - Justice Day

Saturday 18<sup>th</sup> October 2014  
Crediton Congregational Church 12.30pm – 3.30pm

A day to rant, sing and tell about examples of unfairness to ourselves,  
to hear about injustice to others;  
to decide what WE can do to bring about justice.

## **Stall holders' Guidelines**

We are delighted that you are taking the time and effort to consider joining us for our first Justice Day. Thank you.

We will provide you with a 6 foot x 3 foot table and chair outside in the church car park (or inside) in return for a suggested donation between £10 and £20. Table available from 11.30am.

However we request that you please **do not** ask members of the public for money at the event. Trade in line with the aims of the day is permitted.

Instead, please would you come prepared to:-

- raise awareness of the underlying issues of unfairness that your organisation works to address;
- tell the stories of injustice that you deal with;
- provide children something to do while they are at your stall;
- empower adults with ideas for action for justice both on the day and in future.

**Name**

**Address**

**Your organisation**

**Brief description of plans, so far, for your stall.**
